Advisor
Meeting

Approaching age 62 or 64?
Have questions as you plan on
continuing to work? Or want to
understand how Social Security
effects Medicare?

Are you or a spouse working
past age 64 and looking to
understand Medicare in
regards to Retirement?

Are you working past age 65
and curious to know how your
benefits compare to
Medicare? Or if there are
any money saving guidelines?

Transitions RBG has partnered with your employer to give you the opportunity to learn about Medicare and your options when working past eligibility. It may be difficult to understand what these additional options mean for your medical coverage and we are here to assist with the answers you need most. Please join us for this educational webinar to learn the basics with the intent being to schedule a meeting with a dedicated advisor to address your specific needs.

We look forward to speaking with you soon to help you make the best informed decisions for your personal scenario.
