

# BENEFIT SUMMARY

**Cigna Health and Life Insurance Co.**  
**For - Northwest Georgia Oncology Centers**  
**OAP HDHPQ Plan**  
**HDHPQ OAP**  
**Effective - 06/01/2024**

**Selection of a Primary Care Provider** - your plan may require or allow the designation of a primary care provider. You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. If your plan requires designation of a primary care provider, Cigna may designate one for you until you make this designation. For information on how to select a primary care provider, and for a list of the participating primary care providers, visit [www.mycigna.com](http://www.mycigna.com) or contact customer service at the phone number listed on the back of your ID card. For children, you may designate a pediatrician as the primary care provider.

**Direct Access to Obstetricians and Gynecologists** - You do not need prior authorization from the plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, visit [www.mycigna.com](http://www.mycigna.com) or contact customer service at the phone number listed on the back of your ID card.

Plan Highlights	In-Network	Out-of-Network
<b>Lifetime Maximum</b>	Unlimited	Unlimited
<b>Plan Year Accumulation</b>	Your Plan's Deductibles, Out-of-Pockets and benefit level limits accumulate on a calendar year basis unless otherwise stated. In addition, all plan maximums and service-specific maximums (dollar and occurrence) cross-accumulate between In- and Out-of-Network unless otherwise noted.	
<b>Plan Coinsurance</b>	Plan pays 80%	Plan pays 60%
<b>Maximum Reimbursable Charge</b>	Not Applicable	150%
<b>Plan Deductible</b>	Individual - Employee Only: \$2,500 Family Maximum: \$5,000	Individual - Employee Only: \$5,000 Family Maximum: \$10,000
<ul style="list-style-type: none"> <li>• Only the amount you pay for in-network covered expenses counts towards your in-network deductible. Only the amount you pay for out-of-network covered expenses counts towards your out-of-network deductible.</li> <li>• Plan deductible always applies before any benefit copay/deductible or coinsurance.</li> <li>• Plan deductible does not apply to in-network preventive services.</li> <li>• All family members contribute towards the family deductible. An individual cannot have claims covered under the plan coinsurance until the total family deductible has been satisfied.</li> <li>• This plan includes a combined Medical/Pharmacy plan deductible.</li> </ul>		
<b>Note:</b> Services where plan deductible applies are noted with a caret (^).

## Pharmacy

## In-Network

## Out-of-Network

- **Member Choice Cigna 90 Now:** This network of pharmacies includes major retail chains of Walgreens and CVS, in addition to other grocery, retailer, and independent pharmacies. You will be aligned to either the Walgreens or CVS network based on your existing pharmacy relationship. Where no relationship exists, you will be aligned to Plan sponsor elected CVS pharmacy. If that designation is not right for you, there is the option to select Walgreens. For more information, go to myCigna.com or call the number on the back of your ID card. Retail drugs for a 30 day supply may be obtained In-Network at a wide range of pharmacies across the nation although prescriptions for a 90 day supply (such as maintenance drugs) will be available at select network pharmacies.
- Cigna 90 Now Program: You can choose to fill your medications in a 30- or 90-day supply. If you choose to fill a 30-day prescription, it can be filled at any network retail pharmacy or network home delivery pharmacy. If you choose to fill a 90-day prescription, it must be filled at a 90-day network retail pharmacy or network home delivery pharmacy to be covered by the plan.
- Specialty medications are used to treat an underlying disease which is considered to be rare and chronic including, but not limited to, multiple sclerosis, hepatitis C or rheumatoid arthritis. Specialty Drugs may include high cost medications as well as medications that may require special handling and close supervision when being administered.
- You can elect brand or generic with no penalty (MAC C).
- Your pharmacy benefits share an annual deductible and out-of-pocket maximum with the medical/behavioral benefits. The applicable cost share for covered drugs applies after the combined deductible has been met.

## Drugs Covered

### Prescription Drug List:

Your Cigna Advantage Prescription Drug List includes a full range of drugs including all those required under applicable health care laws. Some of the more expensive drugs are excluded when there are less expensive alternatives. To check which drugs are included in your plan, please log on to myCigna.com.

Some highlights:

- Coverage includes Self Administered injectable drugs, but excludes infertility drugs.
- Contraceptive devices and drugs are covered with federally required products covered at 100%.
- Insulin, glucose test strips, lancets, insulin needles & syringes, insulin pens and cartridges are covered.

## Pharmacy Program Information

### Pharmacy Clinical Management: Essential

Your plan features drug management programs and edits to ensure safe prescribing, and access to medications proven to be the most reliable and cost effective for the medical condition, including:

- Prior authorization requirements
- Step Therapy on select classes of medications and drugs new to the market
- Quantity limits, including maximum daily dose edits, quantity over time edits, duration of therapy edits, and dose optimization edits
- Age edits, and refill-too-soon edits
- Plan exclusion edits
- Current users of Step Therapy medications will be allowed one 30-day fill during the first three months of coverage before Step Therapy program applies.
- Your plan includes Specialty Drug Management features, such as prior authorization and quantity limits, to ensure the safe prescribing and access to specialty medications.
- For customers with complex conditions taking a specialty medication, we will offer Accredo Therapeutic Resource Centers (TRCs) to provide specialty medication and condition counseling. For customers taking a specialty medication not dispensed by Accredo, Cigna experts will offer this important specialty medication and condition counseling.

## Pharmacy Program Information

### Patient Assurance Program

Your plan includes the Patient Assurance Program, which waives the deductible and reduces the amount you owe for certain medications used to treat chronic conditions included in the program. Additionally:

- Any amount you pay for these medications count toward meeting both your deductible and out-of-pocket maximum.
- Any discount provided by a pharmaceutical manufacturer for these medications count toward meeting both your deductible and out-of-pocket maximum.

## Additional Information

### Cigna Diabetes Prevention Program in collaboration with Omada

Cigna Diabetes Prevention Program in collaboration with Omada is a program to help you avoid the onset of diabetes, as well as health risks that might lead to heart disease or a stroke. The program is covered by your health plan at the preventive level, just like for your wellness visit. Program participants have access to a professional virtual health coach, an online support group, interactive lessons, and a smart-technology scale. The program will help you make small changes in your eating, activity, sleep, and stress to achieve healthy weight loss through a series of 16 weekly lessons and tools to help you maintain weight loss over time. You will also be offered the opportunity to join a gym for a low monthly fee and no enrollment fee.

### Maximum Reimbursable Charge

The allowable covered expense for non-network services is based on the lesser of the health care professional's normal charge for a similar service or a percentage of a fee schedule (150%) developed by Cigna that is based on a methodology similar to one used by Medicare to determine the allowable fee for the same or similar service in a geographic area. In some cases, the Medicare based fee schedule will not be used and the maximum reimbursable charge for covered services is based on the lesser of the health care professional's normal charge for a similar service or a percentile (80th) of charges made by health care professionals of such service or supply in the geographic area where it is received. If sufficient charge data is unavailable in the database for that geographic area to determine the Maximum Reimbursable Charge, then data in the database for similar services may be used. Out-of-network services are subject to a Calendar Year deductible and maximum reimbursable charge limitations.

### Out-of-Network Emergency Services Charges

1. Emergency Services are covered at the In-Network cost-sharing level as required by applicable state or federal law if services are received from a non-participating (Out-of-Network) provider.
2. The allowable amount used to determine the Plan's benefit payment for covered Emergency Services rendered in an Out-of-Network Hospital, or by an Out-of-Network provider in an In-Network Hospital, is the amount agreed to by the Out-of-Network provider and Cigna, or as required by applicable state or federal law.

The member is responsible for applicable In-Network cost-sharing amounts (any deductible, copay or coinsurance). The member is not responsible for any charges that may be made in excess of the allowable amount. If the Out-of-Network provider bills you for an amount higher than the amount you owe as indicated on the Explanation of Benefits (EOB), contact Cigna Customer Service at the phone number on your ID card.

### Medicare Coordination

In accordance with the Social Security Act of 1965, this plan will pay as the Secondary plan to Medicare Part A and B as follows:

- (a) a former Employee such as a retiree, a former Disabled Employee, a former Employee's Dependent, or an Employee's Domestic Partner who is also eligible for Medicare and whose insurance is continued for any reason as provided in this plan (including COBRA continuation);
- (b) an Employee, a former Employee, an Employee's Dependent, or former Employee's Dependent, who is eligible for Medicare due to End Stage Renal Disease after that person has been eligible for Medicare for 30 months.

When a person is eligible for Medicare A and B as described above, this plan will pay as the Secondary Plan to Medicare Part A and B **regardless if the person is actually enrolled in Medicare Part A and/or Part B and regardless if the person seeks care at a Medicare Provider or not for Medicare covered services.**

## Additional Information

### One Guide

Available by phone or through myCigna mobile application. One Guide helps you navigate the health care system and make the most of your health benefits and programs.

### Complete Care Management

Pre-authorization is required on all inpatient admissions and selected outpatient procedures, diagnostic testing, and outpatient surgery. Network providers are contractually obligated to perform pre-authorization on behalf of their customers. For an out-of-network provider, the customer is responsible for following the pre-authorization procedures. If a customer does not follow requirements for obtaining pre-treatment authorization, a \$750 penalty will be applied.

**Pre-Existing Condition Limitation (PCL)** does not apply.

### Well-Being Solution: Core Plus

- Health assessment
- Device/app integration
- Personalized online content and data-driven actions
- Social connections/challenges

## Definitions

**Coinsurance** - After you've reached your deductible, you and your plan share some of your medical costs. The portion of covered expenses you are responsible for is called Coinsurance.

**Copay** - A flat fee you pay for certain covered services such as doctor's visits or prescriptions.

**Deductible** - A flat dollar amount you must pay out of your own pocket before your plan begins to pay for covered services.

**Out-of-Pocket Maximum** - Specific limits for the total amount you will pay out of your own pocket before your plan coinsurance percentage no longer applies. Once you meet these maximums, your plan then pays 100 percent of the "Maximum Reimbursable Charges" or negotiated fees for covered services.

**Place of Service** - Your plan pays based on where you receive services. For example, for hospital stays, your coverage is paid at the inpatient level.

**Prescription Drug List** - The list of prescription brand and generic drugs covered by your pharmacy plan.

**Professional Services** - Services performed by Surgeons, Assistant Surgeons, Hospital Based Physicians, Radiologists, Pathologists and Anesthesiologists

**Transition of Care** - Provides in-network health coverage to new customers when the customer's doctor is not part of the Cigna network and there are approved clinical reasons why the customer should continue to see the same doctor.

## Exclusions

### What's Not Covered (This Is Not All Inclusive; check your plan documents for a complete list)

- Services that aren't medically necessary
- Experimental or investigational treatments, except for routine patient care costs related to qualified clinical trials as described in your plan document
- Accidental injury that occurs while working for pay or profit
- Sickness for which benefits are paid or payable under any workers' compensation or similar law
- Services provided by government health plans
- Cosmetic surgery, unless it corrects deformities resulting from illness, breast reconstruction surgery after a mastectomy, or congenital defects of a newborn or adopted child or child placed for adoption
- Dental treatments and implants
- Custodial care
- Surgical procedures for the improvement of vision that can be corrected through the use of glasses or contact lenses
- Vision therapy or orthoptic treatment

06/01/2024

GA

Open Access Plus HDHPQ - HDHPQ OAP

## Exclusions

- Reversal of sterilization procedures
- Nonprescription drugs or anti-obesity drugs
- Smoking cessation programs
- Non-emergency services incurred outside the United States
- Bariatric surgery
- Infertility services

### **These are only the highlights**

This summary outlines the highlights of your plan. For a complete list of both covered and not covered services, including benefits required by your state, see your employer's insurance certificate, service agreement or summary plan description -- the official plan documents. If there are any differences between this summary and the plan documents, the information in the plan documents takes precedence.
